Summary Risk Factors

Any person subscribing for an investment in the Fund must be able to bear the risks involved and must meet the Fund's suitability requirements. Some or all investment products may not be suitable for certain investors. No assurance can be given that the Fund's investment objectives can be achieved. Among the risks that we wish to call to the particular attention of prospective investors are the following:

- The Fund is speculative and involves a degree of risk;
- An investor could lose all or a substantial amount of his or her investment;
- CG Asset Management Limited ("CGAM") has total trading authority over the Fund, and the Fund is dependent upon the services of CGAM. The use of a single advisor applying generally similar trading programs could mean lack of diversification and, consequentially, higher risk;
- There is no secondary market for the investors' interest in the Fund and none is expected to develop; and
- The Fund's performance may be volatile.

The offering memorandum or similar materials for the Fund sets forth the terms of an investment in the Fund and other material information, including risk factors, conflicts of interest, fees and expenses, and tax-related information. Such materials must be reviewed prior to any determination to invest in the Fund described herein.
