

CG UK Index-Linked Bond Fund - GBP Class G Shares; ISIN: IE000ZSVG218

CG UK Index-Linked Bond Fund a sub-fund of CG Portfolio Fund ICAV

The Management company of the Fund is Bridge Fund Management Limited.

Objectives and Investment Policy

The investment objective of the Fund is to achieve long-term capital appreciation and income growth by investing primarily in UK Government Index-Linked Bonds ("linkers"). The Fund is intended to provide an investment opportunity for investors seeking a real rate of return. The Fund is actively managed unconstrained by any benchmark.

This will be achieved primarily by the investment in Linkers with a range of maturities. Linkers are similar to other UK Government bonds except that the interest payments and principal thereof are automatically adjusted to compensate for inflation as measured by the RPI (Retail Price Index).

Where the Investment Manager believes it to be in the best interests of the Fund and should market conditions dictate, the Investment Manager may invest in cash, treasury bills and conventional bonds issued by the UK Government. The Fund will hold no more than 20% of its Net Asset Value in cash.

The Investment Manager will not use derivative instruments.

The Fund may not be suitable for any investor who requires their money within three years.

The minimum investment in the Fund is £100,000.

A dividend will be paid annually if there is income in the Fund.

Shareholders of the Fund may request that Shares in the Fund be redeemed on any Dealing Day by sending a written redemption request to be received by the Administrator on behalf of the Fund by 2pm on the Business Day prior to the Dealing Day on which the redemption is to take place, failing which the Fund may hold over redemption requests until the following Dealing Day and Shares in the Fund will be redeemed at the relevant Net Asset Value per Share.

More information on dealing may be obtained by calling the Fund administrator, Northern Trust on 00353 1 434 5098.

Risk and Reward Profile

Historical data may not be a reliable indication for the future.

The risk category is not guaranteed and may shift over time.

The lowest category does not mean "risk free".

The Fund is ranked in this risk and reward category because the Fund is invested in one asset class.

The Fund is subject to risks which are not included in the calculation of the risk-reward indicator. An investor can lose all of their money.

The Fund is exposed to the following risks:

Credit risk - A borrower or a counterparty may fail to repay or otherwise withstand contractual obligations to the Fund.

Liquidity risk - The Fund may not be able to deal quickly enough in its investments to prevent or minimise loss.

Counterparty risk - A counterparty may fail to repay or otherwise withstand contractual obligations to the Fund.

Operational risk - A failure of systems and or personnel may result in losses.

Interest risk - Movements in interest rates could cause the value of the Fund to fall.

Currency risk - Returns from overseas securities can also be subject to fluctuations in exchange rates. The Fund does not attempt to hedge currency risk.

There is no guaranteed returns or protection for investors.

Charges

The charges you pay are used to pay the costs of running the fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	Entry charge	0%
	Exit charge	0%

The Entry Charge is the maximum that might be taken out of your money before it is invested.

Charges taken from the fund over a year	Ongoing charge	0.28%
--	----------------	-------

Charges taken from the fund under certain specific conditions	Performance fee	0%
--	-----------------	----

The **entry** and **exit charges** shown are maximum figures. In some cases you might pay less - you can find this out from your financial adviser.

The Fund will adopt swing pricing to protect investors from dilution caused by trading costs resulting from a net flows of subscriptions and redemptions within the Fund.

The ongoing charges figure is based on expenses for the year ended 31/12/2024.

The figure may vary from year to year. This figure does not include portfolio transaction costs.

For more information about charges please see page 27 of the prospectus and any relevant supplements.

Past Performance

The share class was launched in: 30 October 2023.
The performance of the share class is calculated in: GBP

This fund launched in October 2023.

Past performance is not a guide to future performance.

The performance figures will include all on-going charges and exclude any entry charges or exit charges.
