CG Asset Management ("CGAM") does not provide investment advice or make personal recommendations so you need to decide if an investment is suitable for you. Before taking the decision to invest in a fund, please read the relevant KIID and Prospectus, English language versions of which are available by way of this website or on request. If you wish to obtain advice about the suitability for you, or have any doubt about the suitability for you, of the funds managed by CGAM, you should contact a financial adviser.
